

# Bring a Book to Life

Choose a character from a book or story and bring it to life with OctoStudio!

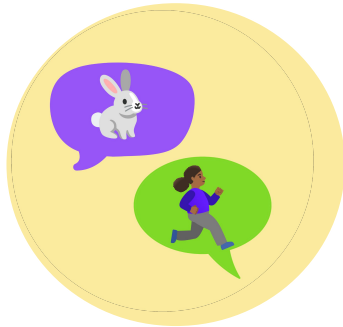

Let's Create!

You can take a **photo**, **draw** or **select** from the library

When taking a photo, use your finger to trace around the part you want to keep

**What is a character that interests you from a book or story?**

What do they **say** or **do**?

**Add a sprite** 😊<sup>+</sup>

Add your **character** as a sprite in OctoStudio

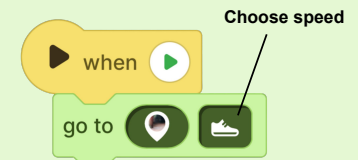

**Add a backdrop** 🖼️

You can add a backdrop from the book or the OctoStudio library

**Bring it to life!** 🎬

What will your character **say** or **do**?  
Use coding blocks to add motion, sound, and more!

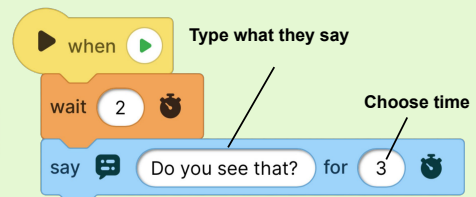

Choose speed

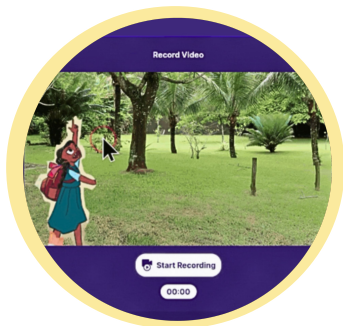

**Keep creating** ➕

What do you want to **happen** next?  
What **other characters** could you add and animate?

Type what they say

Choose time
